

("iqbal was trying to get dress after his evening shower")

anthony:

woof, we are really out of shape....

iqbal:

tony, no cynical remarks, please. just- not now

haizal:

i mean, all we have done is work, stress, eat, repeat. no rest or even work out.

iqbal:

yeah. haha. tell that to our supervisor that we are milked dried

zakirol:

maybe we should go back to johor and have some rest

iqbal:

zaki-... you know what, let just rest.

("iqbal was trying to sit down and his knees hurt from bending")

iqbal:

oh god..... my knees....

anthony:

maybe we should really cut the snacking, binge eating and do more exercise....

("iqbal suddenly snaps and give a death stare at anthony")

iqbal:

no way sherlock. you are incredibly right. we do need to do more exercise. you just solve our freaking problem.

now, try to fix this one next; I AM TIRED FROM THIS NEGATIVE THINKING AND JUST WANT SOME REST

zakirol:

bro, anthony just giving his opinion. no need to lash out like that

iqbal:

ouh, now the lover boy try to diffuse the situation. now, tell me; where are you went our relationship is at whack when we got the news about our crush is getting-

zakirol:

i was as shock as you and i am equally as disappointed at that moment! please do not bring that conversation back to here.

iqbal:

yeah. no joke. and we could not help her or even try to comfort her.

haizal:

hey bal, i know maybe you cannot think straight right now, but this conversation should not escalate to this level

iqbal:

ouh, now the papa bear with unstable relationship try to teach me stuff he himself cannot help? tell me - "ijal".

if you want to help this situation here, why don't you use the strategy when your chasers did not reply to you for days, huh?

ouh, i forget. you let your emotions win and we go into deep rejection sensitive dysphoria

anthony:

okay, i don't know what your deal is, but we are here trying to help you.

iqbal:

using what? passive negative comments? well, you solved the case sherlock. arthur could be shaking right now because a new detective is in town

zakirol:

iqbal, i mean this in the best possible way. you need help. maybe not from us and maybe not now. but sooner or later, this anger would consume you.

the fire starts to eat you.

and don't forget you are still try to heal from-

iqbal:

-one more word out from your mouth mentioning about that event, and i will beat your butt to the ground.
